"Children are people, and they should have to reach to learn about things, to understand things, just as adults have to reach if they want to grow in mental stature. Life is composed of lights and shadows, and we would be untruthful, insincere, and saccharine if we tried to pretend there were no shadows. Most things are good, and they are the strongest things; but there are evil things too, and you are not doing a child a favor by trying to shield him from reality. The important thing is to teach a child that good can always triumph over evil."

#### virtue of the month

**\* HONESTY \***

Honesty and sincerity are virtues found in a pure heart.

#### mother teresa's prayer

Mary, Give us a heart as beautiful, pure,   
and spotless as yours.  
A heart like yours,  
so full of love and humility.  
May we be able to receive Jesus  
as the Bread of Life,  
to love Him as you loved Him,  
to serve Him under the mistreated face of the poor.  
We ask this through Jesus Christ our Lord.
