April 3, 2019

Dear Parents, Friends and Families,

Great News!

Pennsylvania will again, in 2019, allow a limited number of state income taxpayers to pay their income taxes directly to students at Holy Trinity Catholic School rather than paying those tax dollars to Harrisburg! But, we need our community to act quickly since the PA tax credits involved go quickly.

Holy Trinity Catholic School is working with FundEDU and the Central Pennsylvania Scholarship Fund to further our participation in the EITC Tax Credit program, and we need your help today.

Pennsylvania's EITC (Educational Improvement Tax Credit) program allows individuals and businesses to receive tax credits which will reroute your tax dollars as **tuition scholarships at Holy Trinity Catholic School**.

The state understands that some children thrive in settings other than the public option provided to them. Thus, the state allows a small portion of education spending for students to access other school options.

As there is a limited number of credits available, it is critical for the Holy Trinity community to reserve our tax credits NOW. Being early is the only way to ensure the program's success at our school.

An Informational Session will be held on:

Wednesday, April 10 at 6pm in the Holy Trinity Middle School building on 6th Ave.

Please RSVP by emailing Jan Crossman at Crossman.Jan@holytrinitycatholic.school or by calling (814) 942-7835.

Participating is easy!

Reach out to FundEDU via phone or email for additional information and to learn how to participate.

We are excited about this partnership and the opportunities it will provide for our students. Thank you in advance for your support of this program.

Sincerely,

Elaine M. Spencer, Principal
